

**RE: Intended Transfer of properties from Parasol Homes to Westmoreland Supported Housing.**

I am writing to let you know about an intended upcoming change to the management arrangements at your residence and to request your feedback to ensure that your voice is heard and considered during this transition.

Our landlord, Triple Point, intends to transfer the lease and management of your home from Parasol Homes to Westmoreland Supported Housing, who are a Registered Provider similar to us. Your tenancy rights will not be affected and we will endeavour to cause no distress or concern.

We value your opinions and would like to invite you to provide feedback by answering a few questions. This means we will start a tenant consultation to gather this feedback, the consultation period will last 6 weeks, this will assist Triple Point in making their final decision.

You can choose to answer these questions independently or with the assistance of your housing officer, Patrick who will be available to support you during a face-to-face meeting over the next 6 weeks.

During the consultation stage, Westmoreland Supported Living will also make contact to offer further information about the process and potential changes to our tenants and confirm potential future arrangements with your rent and tenancy agreement.

Your feedback is important to us, and we want to ensure that you feel informed and supported throughout this process. Your housing officer, Patrick will be available to assist you with any questions or concerns you may have. If it helps, someone can complete this form for you.

Thank you for your cooperation and participation in this important feedback process. If you have any questions or require further assistance, please do not hesitate to reach out to your housing officer or contact us directly.
